

Knights of the Zodiac: Saint Seiya Netflix Original Anime Announced

by admin

- Toei Animation have announced that *Saint Seiya* will likely be getting an unique 3DCG remake, a Netflix anime sequence to be streamed worldwide titled *Knights of the Zodiac: Saint Seiya*.
- Masami Kurumada's *Saint Seiya* manga was first animated in 1986 by Toei Animation and is among the world's most profitable franchises.
- The unique work offered over 35,000,000 volumes, with 250 animated TV anime episodes and 6 anime motion pictures, all aired in over 80 nations worldwide.
- Netflix unique *Knights of the Zodiac: Saint Seiya* follows Seiya, a younger man who fights as a Saint in an effort to shield the goddess Athena. It is going to present the story from the primary season's Galaxian Wars Arc to the Silver Saint Arc.
- The employees behind the remake have additionally been revealed. Examine them out under!
