Cosplay Superstar Yaya Han Suits Up with Lion Forge Comics in Wonderous II

Digital Publisher Lion Forge Develops New Digital Comic Book Series Starring Cosplay Entertainer Yaya Ha

Professional model, costume designer and cosplay veteran [Yaya Han](#) is starring in her own comic book series by [Lion Forge Comics](#), *Wonderous II*. After appearing on the television series *Heroes of Cosplay*, the fan favorite cosplayer will be *Wonderously* fighting off villains and melting fanboy's hearts as her new comic book persona at this year's [Comic-Con International: San Diego](#).

Lion Forge's *Wonderous* series chronicles the adventures of super powered women in the Catalyst Prime Universe. *Wonderous II* is the sequel to the original *Wonderous* series, which starred 2011 Playmate of the Year, Claire Sinclair. In the new series, the story picks up when the tainted medical study compound finds its way into the cosplay world and infects aspiring costume designer, Yaya Han.

Readers follow Yaya as she discovers her newfound superpowers and fights crime in the colorful cosplay world alongside her quirky best friend, Crane. *Wonderous II* is penned by Joelle Sellner, who also wrote the first *Wonderous* series and is currently writing *Saved By the Bell* and *Punky Brewster* for Lion Forge. The artwork for *Wonderous II* is handled by Francesco Gerbino and Sai Studios.

Lion Forge adds *Wonderous II* to its collection of celebrity inspired titles, including *Rampage Jackson: Street Soldier*, based on professional MMA fighter, Quinton "Rampage" Jackson, and *The Joshua Run*, based on actor/comedian Flex Alexander.

Fans can catch up with the first *Wonderous* series [here](#) and via the [Comics Plus](#) app for iOS and Android. *Wonderous II* will be available for purchase in October through the Amazon Kindle Bookstore and Comics Plus app for iOS and Android devices.

About Lion Forge Comics

Lion Forge is a St. Louis-based transmedia studio with a focus on digital publishing. With both original and licensed titles, Lion Forge brings together the brightest talent to acquire and develop content and character franchises within the comic book, television, film and interactive gaming industries. Lion Forge applies cinematic elements to each property to create compelling, story-driven experiences from start to finish, bringing unique entertainment experiences to both traditional and digital marketplaces.
